

# MCPD Certification Package

## Enterprise Applications Developer on Visual Studio 2005

### Microsoft Certified Professional Developer: Enterprise Applications Developer on Visual Studio 2005

MCPD: Enterprise Applications Developer credential demonstrates that you have the comprehensive skills required to build n-tier solutions targeting both web and rich-client user experiences.

### MCPD: Enterprise Applications Developer Requirements

MCPD: Enterprise Applications Developer candidates must first meet the requirements for all three of the MCTS credentials for the .NET Framework 2.0 (four exams)\*:

- MCTS: .NET Framework 2.0 Web Applications
- MCTS: .NET Framework 2.0 Windows Applications
- MCTS: .NET Framework 2.0 Distributed Applications

After earning these credentials, candidates may earn their MCPD: Enterprise Applications Developer by passing one additional required exam.
