MCTS: .NET Framework 3.5 – ASP.NET Applications Requirements

How to earn your MCTS certification on Visual Studio 2008?

Each MCTS certification requires that you pass **Exam 70-536: TS: Microsoft .NET Framework, Application Development Foundation**, in addition to the exam related to your desired certification listed in the following table.

Note - If you currently hold any .NET Framework 2.0 MCTS or Microsoft Certified Professional Developer (MCPD) certifications, you have already fulfilled this requirement and do not need to pass Exam 70-536 again; you must pass only the exam related to your desired certification.

Core Courses: MCTS: NET Framework 3.5 – ASP.NET Applications Requirements	Exams (2 required)
MS2956 – Core Foundations of Microsoft .NET 2.0 Development (three days) MS2957 – Advanced Foundations of Microsoft .NET 2.0 Development (three days) E-learning collection – 5160 and 5161	70-536
