MCTS: NET Framework 3.5 – Windows Presentation Foundation Requirements

How to earn your MCTS certification on Visual Studio 2008?

Each MCTS certification requires that you pass Exam 70-536: TS: Microsoft .NET Framework, Application Development Foundation, in addition to the exam related to your desired certification listed in the following table.

Note - If you currently hold any .NET Framework 2.0 MCTS or Microsoft Certified Professional Developer (MCPD) certifications, you have already fulfilled this requirement and do not need to pass Exam 70-536 again; you must pass only the exam related to your desired certification.
