<p>MS2548 – Core Distributed Application Development with Visual Studio 2005 (3 days)</p> <p>MS2549 – Advanced Distributed Application Development with Visual Studio 2005 (3 days)</p> <p>E- learning Collections - 2548 and 2549</p>	70-529

If you are planning to upgrade from an MCAD or MCSD on .NET certification to a Microsoft Certified Professional Developer certification, you do not need to first obtain an MCTS certification. You will earn the applicable MCTS certifications when you pass the upgrade exam(s) for MCPD: Windows Applications Developer, MCPD: Web Applications Developer, or MCPD: Enterprise Applications Developer.

Courses must be taken within a 12 month period from the date of the first course attended. The first course must be attended within one month of purchase.
